

MEDITECH Expanse TIP SHEET

Consult to Social Services Added to the Trauma Watchlist

The Trauma Watchlist will have a profile/column added to help identify trauma patients who have an active Consult to Social Services order during this visit. The column will be titled, 'SS Consult'.

Navigate to the Surveillance Desktop by selecting Administrative – Quality Management – Surveillance Desktop.

Select the **Trauma Watchlist**

Name	Age Sex	Location	ITSS Complete	ITSS 2+	CM Consult	SS Consult
able, test	79 M	Behavioral He...				24D 2H 49M
Lobo, Test	45 F	Intensive Car...	152D 4H 31M	440D 2H 20M	26D 8H 11M	30D 2H 7M
